GOVERNING COMMITTEE MEMBERS' BENEFITS

Since the end of the previous financial year, no Governing Committee Members have received or become entitled to receive any benefits by reason of a contract made by the Association with any Governing Committee Member or with a firm of which the Governing Committee Member is a member or with a firm in which the Governing Committee Members have a substantial financial interest.

OTHER STATUTORY INFORMATION

Before the financial statements of the Committee were made out, the Governing Committee Members took reasonable steps to ascertain that:

- i) all current assets have been stated at the lower of cost and net realisable value.

At the date of this report, the Governing Committee Members of the Association are not aware of any circumstances:

- i) that would render the values attributed to the current assets in the financial statements of the Association misleading, or
- ii) which have arisen which render adherence to the existing method of valuation of assets or liabilities of the Association misleading or inappropriate, or
- iii) not otherwise dealt with in this report or in the financial statements, that would render any amount stated in the financial statements of the Association misleading.

At the date of this report, there does not exist:

- i) any charge on the assets of the Association that has arisen since the end of the financial year and which secures the liabilities of any other person, or
- ii) any contingent liability in respect of the Association that has arisen since the end of the financial year.

No contingent liability or other liability of the Association has become enforceable or is likely to become enforceable within the period of twelve months after the end of the financial year which, in the opinion of the Governing Committee Members, will or may substantially affect the ability of the Association to meet its obligations as and when they fall due.

In the opinion of the Governing Committee Members, the results of the operations of the Committee for the financial year ended 31 December 2025 have not been substantially affected by any item, transaction or event of a material and unusual nature nor has any such item, transaction or event occurred in the interval between the end of that financial year and the date of this report.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2025

1 GENERAL INFORMATION

The registered office of the Association is 54, Jalan Ambong Kiri Satu, Kepong Baru, 52100 Kuala Lumpur.

The principal objectives of the Association are to are to promote social activities and Continuous Professional Development for graduates from Manipal.

2 SIGNIFICANT ACCOUNTING POLICIES

The following accounting policies are adopted by the Committee:

(a) Basis of accounting

The financial statements of the Council are prepared on the historical cost basis and in accordance with the rules of the Council, the requirements of the Societies Act, 1966 and Private Entity Reporting Standards.

(b) Property, plant and equipment and depreciation

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any.

Property, plant and equipment is calculated on a straight-line method based on the estimated useful lives of the property, plant and equipment. The principal annual rates used are as follows:

Description	<u>Rate</u>
Computer	20%
Furniture and fittings	20%
Office equipment	10%

2 SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(c) Cash and cash equivalents

Cash and cash equivalents consist of bank balance.

(d) Impairment of assets

The carrying amount of assets other than deferred tax assets and financial assets are reviewed for impairment losses whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. Impairment loss is recognised for the

amount by which the carrying amount of the asset exceeds its recoverable amount. The recoverable amount is the higher of an asset's net selling price and value in use. For the purposes of assessing impairment, assets are grouped at the lowest level for which there is separately identifiable cash flows.

The impairment loss is charged to the statement of income and expenditure. Any subsequent increase in recoverable amount is recognised in the statement of income and expenditure.

(e) Financial Assets

On initial recognition, financial assets are measured at transaction price, include transaction costs for financial assets not measured at fair value through profit or loss, unless the arrangement constitutes, in effect, a financing transaction for the counterparty to the arrangement.

After initial recognition, financial assets are classified into one of three categories: financial assets measured at fair value through profit or loss, financial assets that are debt instruments measured at amortised cost, and financial assets that are equity instruments measured at cost less impairment

(f) Financial liability

After initial recognition, financial liabilities are classified into one of three categories: financial liabilities measured at fair value through profit or loss, financial liabilities measured at amortised cost, or loan commitments measured at cost less impairment.

(g) Employee benefits

(i) *Short term employee benefits*

Short-term employee benefit obligations in respect of salaries, annual bonuses, paid annual leave and sick leave are measured on an undiscounted basis and are expensed as the related service is provided. The Association's contribution to the statutory pension fund is charged to the statement of income and expenditure in the year to which they relate. Once the contributions have been paid, the Association has no further payment obligations.

(ii) *Defined contribution plan*

Obligations for contributions to defined contribution plans are recognised as an expense in the statement of income and expenditure as incurred.

2 SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(h) Financial instruments

Financial instruments are recognised in the balance sheet when the Association has become a party to the contractual provisions of the instruments.

Financial instruments are classified as liabilities or equity with the substance of the contractual arrangement. Interest, dividends, gains and losses relating to a financial instrument classified as liability are reported as expenses or income. Distributions to holders of financial instruments classified as equity are charged directly to equity.

Financial instruments are offset when the Association has legal enforceable right to set off the recognised amounts and intends either to settle on a net basis, or to realise the assets and settle the liability simultaneously.

(i) Income recognition

Income from donation, subscriptions and other income is recognised in the period in which the Association is entitled to receive and where the amount can be measured with reasonable certainty.

(j) Income tax

Income tax is recognised in the income statement except to the extent that it relates to items recognised directly in equity, in which case it is recognised in equity.

Current tax expense is the expected tax payable on the taxable income for the year, using tax rates enacted or substantially enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.
